

## The BOYANCI Story

BOYANCI a lot more than just the combination of our two last names, BOYer and SteffANCI. BOYANCI is about buoyancy, defined as “the upward force that keeps things afloat”. Our simple credo, as printed on our bottle, is “*Be Uplifting*”. We believe our wine will uplift any occasion. Every bottle has been hand labeled and individually numbered so it is truly one of kind. We also believe that being uplifting means helping those less fortunate. We are committed to donating 10% of our profits as well as a significant amount of our time to non-profit groups. Our first recipient is Coprodeli, an amazing organization committed to improving the lives of children in Peru. ### 2008 BOYANCI Red Blend

Each and every vintage, it is our goal to craft a wine that exhibits Napa Valley fruit and extraction with Bordeaux-like elegance. The 2008 BOYANCI shows aromas of mocha infused blackberry, ripe plum and cherry. On the palate the wine exhibits elegance with a touch of spice and a long, rich finish. Soft tannins integrate with tangy acidity gives the wine excellent balance even as a youngster. The 2008 BOYANCI is ready to drink now but will continue to mature and improve for 15+ years.
