

BOYANCI INSPIRE
ROMAnce

2012 NAPA VALLEY
CABERNET FRANC

TASTING NOTES - "Scents of blueberry pie, toffee and a hint of earth. In the mouth, the wine is intense and bursting with flavors of blackberry and hazelnut with tannins that balance nicely with the acidity." ~ *Mia Klein*

VARIETAL - Cabernet Franc is an intensely floral grape and this block has always been part of the BOYANCI blend. The quality so impressed us that we wanted to showcase it in a standalone bottling.

FOOD PAIRINGS - InSpire ROMAnce pairs perfectly with well-marbled steaks, roasted lamb, stews and dark chocolate.

VINEYARD - Stagecoach 1,200 feet above Napa Valley. We grow 4 different grape varieties in this amazing vineyard.

WINEMAKER - *Mia Klein* has made some of the greatest wines ever produced. Her experience includes such amazing wines as Dalla Valle, Spottswoode, Araujo Estate, Chapellet and Viader. She also makes world-class wines under her own label, *Selene*.

ALCOHOL - 14.7%

OAK AGING - 17 months, 100% new French Oak

2012 PRODUCTION - 150 cases

DRINK - Now - 2030

THE ROMANCE STORY: "InSpired by love, I created this wine for my love ROMA. Most of you know the story by now so I won't repeat it and it still appears on the back label. Roma and I celebrated our first wedding anniversary in June and I feel so blessed to have the love of such selfless person. The 12' ROMAnce release is our 3rd and our favorite to date. We enjoyed a picture-perfect growing season up on Stagecoach vineyard. We had lots of sunny days (a marked change from 2011) and only a few extreme heat spikes and really cool nights that preserved great acidity." ~ *Tom Steffanci*
